

Seattle ACS Weekly Net Control Script
May 2005

Good evening, this is (your name, your call sign). Welcome to the Seattle Auxiliary Communications Service Radio net.

Is there any emergency or priority traffic for the net?

This net meets to be of service to our communities in the City of Seattle to

- Exchange information relating to ACS responsibilities,
- Support the Seattle Disaster Aid and Response Teams,
- Keep ACS members in practice with emergency preparedness.

We would like to thank the Puget Sound Repeater Group for the shared use of this frequency, now, and in times of emergencies.

This net meets every Monday evening at 7 p.m. on the PSRG Repeater 146.96 MHz. In the event of repeater failure we will meet on this repeater's output frequency.

When you check in, please give us your call, your first name, and whether you have announcements for the net. Announcements will be handled after check-ins.

Please keep all transmissions less than 30 seconds and leave a pause between transmissions for stations to break in. Breaking stations should give their call sign only and then wait to be recognized by net control.

This is (call sign). My name is (name). I am located in (location).

I will now take team leader check ins. Team leaders please respond now with your call, name, and team.

It is time for membership station check-ins; Membership stations please respond now with your call, name, and team.

I will now take membership station check-ins with suffixes:

A-E F-J K-O P-T U-Z

It is now time for announcements and comments:

(Name, call sign) please respond now with your announcement

Visitor stations are welcomed. If you are a visitor and would like to check in, please respond now with your call, name, and organization, if any.

Are there any stations wishing after net contacts? Please respond now with your call.

If you wish to receive the information about Seattle ACS you can visit us at

For information about ARES of King County, visit their website at:

<http://www.aresofkingcounty.org>

Information about state ARES is located at

<http://www.wastateares.org>

We thank the PSRG for the use of this frequency. Their net follows at 7:30 this evening.

Thank you all for your participation in the ACS net. This net will meet again next Monday at 7:00 p.m.

This is (name, call sign) closing the net at (__:__) hours.

73 and good evening.
